IN OUR COMMUNITY

Community

WE GIVE AS ONE, FOR ALL.

Why PHILANTHROPY

Because we are making a difference in the lives of our people, our patients, and the community around us. And we are nothing without the community of people who help us, encourage us, and support us.

Through the generosity of that community including you, we are also making enormous strides in our vision of charting a new course for our critical funding needs.

Together, we can make western North Carolina a better place to be treated, offer better services to our patients, and, ultimately, an even better community to live in.
